Call for Papers

INDICON is a well-recognized annual conference of IEEE India Council, hosted by an IEEE Section in India. It is in the areas of Computer Science Engineering, Electrical Engineering, as well as Electronics and Communication Engineering. The 13th edition of the conference, INDICON-2016, is organized by IEEE Bangalore Section. The 2016 edition of the conference has following areas of Call for Papers. We solicit original research work/studies in the following areas in the format of paper for possible acceptance after review for presentation and publication in IEEE Xplore (which is under process).

Conference Tracks:

IEEE INDICON 2016 has following 8 tracks for call for paper. Each track's area has been given below (in alphabetical order). Authors requested to submit complete paper(s) through EasyChair on the following link,

<https://easychair.org/conferences/?conf=indicon2016>

For the sub-areas (not limited to) of following 8 tracks and paper submission format, please visit:

<http://www.indicon2016.in/call-for-papers/>

1. **Aerospace and Mechatronics**
2. **Computer Science**
3. **Electronic Systems**
4. **Energy Systems**
5. **Humanitarian Technology**
6. **Microwave (Antenna/Measurements/EMI/EMC/)**
7. **Networking and Communication Engineering**
8. **Signal and Image Processing**

Best Paper Awards:

Multiple best-paper awards: INDICON best paper (Rs. 20,000/-; for all categories), B R Vardhan student best paper with cash prizes PG (Rs. 15,000/-) / UG (Rs. 10,000/-). In addition to above, each track has a best paper award (Rs. 5000/-; a paper will not be given more than one award). There are three poster awards of Rs. 5,000/-, Rs. 3,000/-, Rs. 2,000/- from all the posters of all tracks. TPC Co-Chairs and General Co-Chairs decision is final, according to the quality of the papers/posters.

Important Dates:

Paper Submission Last Date: **31st July, 2016**

Accepted Papers and Posters Notification: 27th September, 2016

Camera Ready and Registration: 12th October, 2016

At least one of the authors has to register by 12th October, 2016
